

Media Release

Individual Consent and Release

We use pictures and videos to tell people the story of the work we do here at the studio. These pictures are used on our Facebook page, Instagram page and occasionally shared on our website. We would appreciate you helping us tell our story and share the good work we hope to accomplish. We will never sell our images.

On behalf of myself I hereby:

1. consent to the use of my photograph, voice, statements, image and likeness (the "Materials") by Inhabit Pilates and Movement (and Julia Wyncoll, owner) for any promotional, publicity, programming or communications purposes, in any media, in perpetuity, without compensation or notice;
2. waive my right to the integrity of the Materials, the right to be associated with the Materials and other similar rights in favour of Inhabit Pilates and Movement.
3. release Inhabit Pilates and Movement, its administrators, independent contractors, affiliates, employees, from any liability or claims that relate in any way to the use of the Materials in the manner described above; and
4. represent and warrant that:
 - (a) I have all of the rights in the Materials and that Inhabit Pilates and Movement's use of the Materials will not violate or infringe upon the rights of any third party; and
 - (b) I have reached the age of majority in my jurisdiction of residence.
